

3RD EDITION OF IMMORUN LUXEMBOURG

Immobel announces the return of the Immorun on 30 June at the Kockelscheuer site. The race brings together the real estate community for an afternoon and an evening of solidarity and fun.

It's THE B2B sporting event of the Luxembourg Real Estate community.

The start of this 3rd edition of the Immorun Luxembourg will take place on June 30 on the site of the Kockelscheuer ice rink. More than 350 participants from the real estate sector and the construction industry will have the pleasure of confronting their team spirit and sharing some fun moments together. This event is organized by Sportero in partnership with Immobel – as main sponsor – and Inowai, Villeroy & Boch, Arendt, Eaglestone, CES and DDS+.

A celebration of team spirit

With more than 100 teams registered to date, we can already say that this edition is a success! "We are delighted to see the growing interest in this event and proud to have established this unique concept in Luxembourg for the real estate community," says Olivier Bastin, Managing Director Immobel Luxembourg and Germany.

Each team is made up of 3 runners of all levels who set off in successive starts. At their own pace, they will each run loops of 9, 6 and 3 km to finally meet up before crossing the finish line together. After this collective effort, everyone will be invited to the awards ceremony, which will be followed by a walking dinner. It's an opportunity to strengthen and celebrate team spirit while promoting networking.

An event promoting solidarity

What would team spirit be without solidarity? This is why Immorun supports the Kriibskrank Kanner Foundation. For more than 30 years it has been supporting the families of children suffering from cancer or a rare disease that is life-threatening for the child on a daily basis.

With a multi-disciplinary team, this foundation offers individual support from diagnosis to remission of the child. It also offers administrative and financial services, psychological and social support, and educational and recreational activities.

A donation proportional to the number of registrants will be given to the association to support its activities. This is yet another good reason to come in large numbers!

See you on June 30!

How to register?
