Infinity Shopping opens its doors

The retailers, Immobel and Real I.S. have today inaugurated the Infinity Shopping complex in Luxembourg

This Thursday December 12th 2019, in the presence of the Deputy Prime Minister, Minister of Mobility and Public Works François Bausch, of Madame the Mayor of the City of Luxembourg Lydie Polfer, and of the retailers and partners of the project, the Infinity Shopping complex was officially inaugurated by Olivier Bastin, CEO of Immobel Luxembourg and by Jochen Schenk, CEO of Real I.S. Group.

Following 30 months of works and just before Christmas, 22 shops, bars and restaurants welcomed their first clients and unveiled their shops, structured around a concept of shopping-services. Infinity Shopping is 100% occupied.

Located opposite the Luxembourg Philharmonia, the 'Live. Shop. Work.' concept of this mixed use real estate programme with its contemporary design, is a perfect demonstration of the sustainable city, that is to say a place where all essential functions are to be found, thus enabling superfluous journeys to be avoided. All those services which contribute to the comfort of the daily lives of the users of Kirchberg and its surroundings are right here within immediate reach.
